

Dockets Management Branch (HFA-305)
Docket No. 98N-1265 MAR 24 10:36
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS:

I have found natural
progesterone to make a tremendous
difference in managing my symptoms
of perimenopause (bloating, fibroids, etc).
I would be very distressed to know
that this option was no longer
available to me.
